Join us for SHIP's Island Beach Party

Join in the fun for Sea-Life Habitat Improvement Project's Island Beach Party on Saturday, October 26th, from 12 (noon) to 4pm at the Inlet Beach Bar & Grille. This fundraising event benefits the Sea-Life Habitat Improvement Project (also known as SHIP). SHIP is a 501.c.3 public charity with a mission to deploy a large Navy type ship off the Treasure Coast as an artificial reef.

"This will be our 3rd annual fall fundraising event and we want this afternoon to be just plain fun and relaxation," said Andy Brady, President of SHIP. "In appreciation of the great support we get from our community here on the Treasure Coast our themed party is aimed to put the **fun** in **fundraising**. We have a great location for the party, working with the crew at the Inlet Beach Bar & Grille. We have some really unique art for auction from The Sinking World Exhibit and local watercolor artist Amber M. Moran. Treasure Coast Kick Ball will begin a full season of Beach Volleyball Tournaments and we are very fortunate to have the reggae sounds of Tropical Soul."

"If you haven't yet had the opportunity to hear Tropical Soul, then you are in for a real treat," says Brady. Tropical Soul is a unique group of reggae artists who's members are "Masters of Reggae" in their own right. Local industry legend Stevie Rose leads the group and joining him for this event will be Mikey Ranglin (son of the Godfather of Reggae & Ska, Ernest Ranglin), Pato Banton, Chi Summers, Rasklamps aka "Klampa", Linden Aaron and Ras Trent will all be in the house. These guys have toured with groups such as Third World, The Wailers, Rita Marley, Culture, Burning Spear to name a few. This is Real Roots Rock Reggae!

The party begins at noon and goes till 4pm (stay into the evening if you would like) and includes lunch and a complimentary beverage. There will also be silent auction and raffle items. Tickets are \$35 you can RSVP by calling April Price at (772) 285-1646, e-mail; shipinc.sl@hotmai.com or go to our website at www.SinkOurShip.org. See you at the party!

Sea-Life Habitat Improvement Project, Inc., is a 501(c)3 public charity.
