Membership

By becoming a member of S.H.I.P., Inc., you will play a vital role in our effort to obtain a large vessel to serve as an artificial reef off the Treasure Coast of Florida.

This unique reef will be home to a large array of marine life that are precious to our ecosystem. It will also be a wonderful site for divers at all levels of expertise and will provide a productive site for area fishermen. Similar projects in the Florida Keys such as the Spiegel Grove and Vandenberg have proven to be a win-win for both the marine habitat and the community.

Membership will also allow you, your family and your employees to enjoy special member rates at area fundraising events.
