## S.H.I.P., Inc. Votes in new Board Members

### By April Price

Sea-Life Habitat Improvement Project, Inc. (SHIP) was formed on March 10, 2010 and received its 501(c)3 status on December 16, 2010. Our first order of business was to appoint our first full Board of Directors. The Executive Committee of S.H.I.P.. Inc. is happy to welcome the following new Board of Directors:

Elected to a two year term are Linda Cox of the St. Lucie County Chamber of Commerce, Anna Shope, Marriott Corporation and Lange Sykes, Lange

Sykes, Sykes Reality Group. Elected to a one year term: St. Lucie County Commissioner Chris Dzadovsky and Paul Sampson, TLC Carpet Experts.

These new board members join the current board: Andy Brady, President, Dean Kubitschek, 1st Vice President, 2nd Vice President, Norman Ridgely and Treasurer Vicky Tillman. In addition we have contracted with List. & Reamy, CPAs in Vero Beach to oversee our books and accounting procedures. Thank you all for your willingness to serve!

## Capt. John Dorozynski Wins Raffle

Congratulations to Capt. John Dorozynski and his 1st Mate Annette Dorozynski for owning the winning raffle ticket for our stained glass port hole from the Tug Lesley Lee. Andy Brady pulled the winning ticket at Friday Fest in May of this year. Capt. John and Annette had just left the area for a long vacation and we were not able to reach

them to deliver their prize. Just before our August SHIP Meeting Capt. John returned our call and we had the pleasure of meeting both John and his charming wife Annette.

Thank you to the Dorozynskis and to all who purchased raffle tickets to support Sea-Life Habitat Improvement Project!
